Courses

Our general language at Technische Universitaet Ilmenau is German. Therefore all Bachelor programs are taught (mainly) in German language. But we are offering 5 English Master programs:

- Media and Communication Science
- Micro- and Nanotechnologies
- Communication and Signal Processing
- Research in Computer and Systems Engineering
- Media Technology

Within this study courses we are offering a wide range of English taught lectures. Our detailed course plan: www.tu-ilmenau.de/modultafeln/?L=english

Please pay attention that some courses will either take place in summer or winter semester. To discuss the personal schedule of the Learning Agreement, every student is obliged getting in

contact with the examination office of his/her department. We will send you detailed information incl. contact persons.

Language requirements

Depending on the chosen lectures your students have to proof their German or English language level with a certificate. The minimum level for getting admission at Ilmenau TU is level B1 (CEFR).

Language preparation:

There are intensive courses on German language before the winter semester (August and September). Please find information about dates and costs at following [homepage](#).

Supporting program in Ilmenau:

We offer a wide range of support by the international student network we4you. Please find more information at [we4you website](#).

Offered courses and lectures:

All courses are listed in our [module catalog](#). A selection of courses, which are solely taught in English language, can be looked up [here](#).

Number of exchange spots per year:

4
